Art on the Town is being launched to celebrate the arts in Anderson, South Carolina. The Anderson Arts Center is 40 years old this year and to celebrate we are creating a showcase with art exhibits and activities. Several businesses and organizations are signing on to promote the arts.

Our Annual Juried Show draws hundreds of artists to Anderson throughout the months of April and May. Many of these artists will be featured in the Arts Warehouse along with smaller exhibits extending to several downtown locations. **Original artwork will be on display from April 27th through May 11th.** Friday night will feature live music, artist demonstrations and hands on art activities. There will be promotional deals for appetizers and drinks. **Purchase a \$5 wristband to take advantage of all the specials and Unplugged Party.**

Brightly colored banners will mark the sites that are participating.

For more information please call 864.222.2787, kimberlys@andersonarts.org or visit the Anderson Arts Center at 110 Federal Street.
