

Regarding Art Camp Scholarship Applications and Proof of Income

To be eligible for a scholarship you must answer the questions regarding income and submit proof of income in the form of **ONE** of these: most recent pay stubs, most recent personal bank statement, most recent tax return or W-2.

Please submit **COPIES ONLY**, not originals. Also block out account numbers, social security numbers, etc. so that they cannot be read. We do **NOT** want your account numbers, social security numbers or other information that could be compromised.

Thank you!

Have a great day!
Thank you,
